Alternatively, arrangements can be made for you to return to the repaired vehicle. These costs are at your expense and talk to us about how we can assist you.

Repairer Follow-up Inclusions

In cases where your vehicle has been transported to a dealer or an authorised repair centre after a breakdown, we will work with your repairer to ensure that the vehicle is back on the road as soon as possible. This may mean contacting the Dealer or Repairer and assisting with connecting you to the right person to ensure you are being assisted. NOTE – Accommodation, Rental Car, Alternative Travel and Taxi and Uber inclusions ONLY apply where you have broken down on the side of the road.

Towing and Distance

Distances shown in Special Terms and Conditions - apply to ALL services that 365 attend to. If our Service Provider has to travel further we will provide the services, however you will be required to pay the excess per km rate as quoted to you prior to the job being attended to. We will advise you of this approximate cost and get you verbal or digital (via APP / Email / SMS) acceptance prior to commencing any roadside support.

- When requesting roadside help you must provide the correct vehicle details and the location of the vehicle.
- If we are not able to confirm your membership or locate your vehicle based on the information you provide to us, all services will be at your expense.
- Towing will be provided using the most appropriate equipment available (such as lift-tow or flat-top truck) as determined by 365.
- Should specialised Towing Equipment or Personnel be required (such as power winches, extended cables or hydraulic vehicle moving jack dolly's, additional vehicles for car park extraction etc) this service will be at the members expense – payable at time of service. We will advise you (as per the process for Towing above) and gain acceptance prior to commencing any Roadside Assistance.

Coverage Service

- Roadside assistance is only available on any sealed or designated roads, accessible by standard 2-wheel drive recovery vehicles, that the service provider deems to be safe.
- Roadside Assistance is not available for collecting, towing salvaged cars, un-roadworthy vehicles from your physical residence to another location. Vehicles that have 365 Roadside Assistance must be registered and roadworthy.

- If you are located in a regional or remote location further than the nominated distances outlined in Special Terms and Conditions and require assistance, you may be charged an additional call out fee.
- The maximum 365 will cover for any one event/case is \$500. Should the support costs exceed this – you will be responsible for any costs over this \$500 amount.

Exclusions and limits

Vehicle exclusions

The provision of benefits and services under 365 Roadside Assistance is subject to the following exclusions:

- Vehicles over 15 years of age, from the manufactures build date.
- Vehicles with an odometer reading of 200,000km's and over are excluded from cover. Should your vehicle reach this maximum distance covered during your membership with 365 then we will cover you until your membership period expires. Should you renew with an odometer reading above this service will not be provided.
- Your vehicle being unregistered or un-roadworthy.
- Your vehicle being left unattended or has been stolen and is in need of recovery.
- If your vehicle is in an accident, this is not deemed as roadside assistance and will not be covered under this roadside membership entitlement. Are able to assist you via our customer support team in facilitating immediate support – however all costs incurred will be at the members expense.
- Due to locksmith provider limitations, this service may not be available in all cases and locations.
- Any caravan or trailer that is towed by your vehicle is not covered unless additional plans with 365 are taken out.

Additional cover options are available including:

- a) *Premium Roadside Assistance*
(Includes cover for Trailers up-to 4 metres in Length and not more than 1.5 Tonnes)
- b) *Trailer Plus Roadside Assistance*
(Includes cover for Trailers up-to 5.5 m Long and 3.5 T in weight and not more than 3 m high and is a Standard Cover with a Trailer specific extension)

Speak to your 365 representatives for options should you have any questions. Call 1300 444 141.

- Your vehicle being immobilised due to inappropriate maintenance, repair or use, caused intentionally or by negligence on the part of the owner, the driver or any other third party. This may also cover where 365 advised the person to replace the battery and you fail to do so, resulting in repeated jump starts for the same vehicle.
- Key recovery limits. In the event the member insists the vehicle be broken into to recover keys locked inside the vehicle, no liability is taken by 365 or its Service Providers for any damage to your vehicle that may occur as a result.

Vehicle exclusions continued...

- Towing limitations. If a member has received and continues to request roadside assistance or tow for a vehicle repeatedly on an excessive number of instances, we may refuse to provide further Roadside help or Tow, we will offer an alternative service at the member's expense – payable upon request of service.
- Once a Tow has been provided for a Breakdown, you must pay for any subsequent tows for the same Breakdown at Commercial Rates at the time of service. This excludes towing for a vehicle that has been towed after hours to the member's home, a holding yard, mechanics shop or other place of safety and then needs further towing for the same breakdown.

Service callout limits

- Service calls for your vehicle due to failure to use reasonable care with your vehicle or failure to conduct regular preventative vehicle maintenance or provision of inappropriate repair or maintenance to your vehicle.
- Repeated service calls for your vehicle due to owner/driver faults, or failure by you to comply with our instructions.
- Service calls for your vehicle due to accidental damage.
- Service calls due to break-in (or attempted break-in) of your vehicle.
- Service calls due to fitment of non-genuine accessories or inappropriate or incorrect fitment of parts or accessories.

Commercial and Private use exclusions

365 cannot offer its services if:

- Your vehicle is involved or connected to any form of motor sports.
- Your vehicle is operating as taxi, rental vehicle, limousine, Uber or hire vehicle.
- Your vehicle is a commercial vehicle and travels to Mine Sites, Petroleum Depots, Airport Runways and collects/and or operates at Cargo Terminals.
- Service calls for your vehicle due to vehicle abuse or neglect (as reasonably determined by us).

Location Limits

The following limitations occur when your vehicle is located in a remote location (this is deemed as being a location not trafficable by a two-wheel drive recovery vehicle) or your vehicle is located in a Restricted Access Area or not within a Service Area.

- Your vehicle being located in a National Park and non-public road.
- Bogged vehicles. Except where access is available and is trafficable by a two-wheel drive recovery vehicle and no other specialist equipment is necessary.

Should specialist equipment become necessary, additional costs are the driver's responsibility. Drivers will be advised of this condition prior to attendance by our Service Provider and service is at 365's discretion.
